

Get \$0 at-home COVID-19 tests at CVS Pharmacies

Starting February 15, 2022, get \$0 at-home over the counter (OTC) COVID-19 tests at most CVS Pharmacy locations. *

At-home COVID-19 tests are covered by many insurance plans*

Non-Medicare/Medicaid insurance plans may cover up to eight at-home COVID-19 tests per month. Returns will not be accepted.

Get tests paid for up front

For your insurance to cover the cost of an at-home COVID-19 test up front, place an order online for store pickup.

Pay out of pocket for tests

Shop online for at-home COVID-19 tests, save your receipt, and submit a claim to your health insurance plan for reimbursement. If you have non-qualifying insurance, or have met your monthly limit, you can still shop and pay out of pocket.
