

Confidentiality Agreement

As a Young Dawg intern at the University of Georgia, I am aware that the data and materials to which I have access are to be treated in a professional and confidential manner. This information will be used only to conduct official internal business in my internship department and may not be disclosed to anyone outside my work environment, including other Young Dawgs, my friends, or my family members.

NOTE: UGA email passwords should not be shared. Do not give your password to anyone.
