

2018-2019 Student Health Insurance Premiums for Mandated Students Student Only

This information is intended for domestic and international graduate students with:

- **Qualified Graduate Assistantships**
- **Qualified Graduate Fellowships**
- **Qualified Training Grants**

Visit <https://hr.uga.edu/students/student-health-insurance/mandatory-plan/> for more information on qualified graduate assistantships, fellowships and training grants.

Premium Information

- The 2018-2019 premium for student coverage increased approximately 7% from the 2017-2018 premiums. The annual premium for a student's coverage increased a total of \$164 per year.
- **UGA Premium Contribution for student only coverage:** UGA will continue to pay 40% of the premium for student only coverage for graduate students receiving qualified assistantships, qualified fellowships, or qualified training grants. Please keep in mind that this 40% premium contribution applies only to health insurance coverage for the Student Health Insurance Plan's student only coverage and would not apply to any health insurance plan option chosen from the health care exchange or marketplace.

2018-2019 Premiums for Mandatory Students who are eligible for the UGA premium contribution
