UGAJobs Quick Guide: Special Instructions to Applicants

The **Special Instructions to Applicants** field is designed to allow your unit to include any specific directions for the applicant to see during the application process. This can include information regarding search time frames, deadlines, reference process, or instructions on specific application documents.

For example, if you would like your applicants to attach a specific type of document at the front end of the application process, those directions should be located in the **Special Instructions** field (see end of this document for more examples).

The UGAJobs System posting process provides you with two opportunities to include special instructions to applicants.

1. The field first appears at the start of the posting creation process:
2. The second time the **Special Instructions to Applicants** field appears is at the **Posting Details** section when creating a posting.

If any instructions were added on the first page, when initiating the posting, they will be carried over to the **Posting Information** section. You may edit or delete any previously entered instructions on this screen, if necessary.

**How the Special Instructions Appear to Applicants on the Live Job Posting**

The **Special Instructions to Applicants** box is located within the **Posting Details** section of each posting in the applicant portal.

The application packet should include a cover letter detailing how the applicant’s credentials and experience meet the needs, responsibilities, and qualifications of the position; current CV; and contact information for three references (who will not be contacted without further correspondence with the applicant). All applicants must apply online at ugajobsearch.com. Please see the job posting at <<Insert Quick Link to Posting>>. Reference Providers will be sent, at the appropriate time during the recruitment process, an email through the UGAJobs system with instructions on how to submit their letters of recommendation. References will not be contacted without prior notification to applicant. **We encourage submission of recommendations directly by the referees by the application deadline stated below.** The application file and reference letters should be submitted online at <<Insert Quick Link to Posting>>. Questions related to this position may be directed to <<Departmental contact/Chair of the Search Committee>>. To assure full consideration, application materials should be received by <<Deadline>>.
