

The enrollment and waiver period for Summer-only 2026 coverage is April 20, 2026 – June 26, 2026.

Summer-only 2026 coverage effective dates: May 1, 2026 – July 31, 2026

Who must enroll or waive Summer-only coverage?

- The only students that can enroll or waive during the Summer-only enrollment and waiver period are students who are newly-mandated during the Summer 2026 semester. Newly-mandated students are:
 - International students with a J or F visa status enrolling during Summer 2026 semester(s) who were not enrolled in credit hours during Spring 2026 semester
 - Graduate students newly awarded a graduate assistantship tuition waiver for summer 2026 semester who did not have a tuition waiver for spring 2026.
 - Students whose program of study requires health insurance coverage who enroll in credit hours during Summer 2026 semester(s) but were not enrolled in credit hours during Spring 2026 semester.

Students who were enrolled or had an approved waiver during the Spring/Summer 2026 coverage period **do not** need to enroll or submit a waiver request again during the Summer-only period. Enrollments, including dependent enrollments, and approved waivers for Spring/Summer 2026 cover the period of January 1 – July 31, 2026.

Students who did not submit a waiver request during the Spring/Summer 2026 waiver period and thus, were automatically enrolled in the plan for Spring/Summer 2026 coverage cannot waive any coverage until the Fall 2026 waiver period. Spring/Summer 2026 coverage is effective January 1 – July 31, 2026. The coverage cannot be prorated and ended early.
